**NSDC and PDEU Collaborate to Equip Youth with Industry-Ready Skills in Semiconductors and Energy**

# Executive Summary

National Skill Development Corporation (NSDC) has partnered with Pandit Deendayal Energy University (PDEU), a leading autonomous state technical university, to launch a state-of-the-art Centre of Excellence for Skill Development. The two organisations formalised their alliance through a Memorandum of Understanding (MoU) signed at the Startup Mahakumbh in New Delhi. The initiative aims to equip learners with hands-on experience in manufacturing skill sets across critical sectors such as Energy, Health, Water, and Food.
