Israel plans to recruit 10,000 construction workers from India

MANU KAUSHIK
New Delhi, September 10

AN ISRAELI GOVERNMENT agency has approached National Skill Development Corporation (NSDC) to recruit 10,000 construction workers and 5,000 caregivers to plug the skill gap in their infrastructure and health sectors.

As per NSDC, the Israel's Population, Immigration, and Border Authority (PIBA) has requested manpower in four areas: framework, iron bending, plastering, and ceramic tiling. "A team from PIBA, comprising of assessors, is set to visit India in the coming week to carry out the necessary skill tests for selecting those who meet their criteria and skill requisites. The second round of recruitment drive for construction workers will take place in Maharashtra from September-end," said the NSDC statement on Tuesday.

This will be second such recruitment drive from Israel after it had started recruited construction workers from India last year. Between December 2023 and March 2024, a total of 16,832 candidates appeared for skill tests out of which 10,349 candidates were selected. Those selected are earning a salary of Rs 1.92 lakh per month — in addition to a bonus of ₹16,515 per month — along with medical insurance, food, and accommodation.

Israel seeks to hire 10K construction workers & 5K caregivers from India

KAVITA BAJELI-DATT @ New Delhi

ISRAEL is seeking to hire more Indians for blue collar jobs — including 10,000 construction workers and 5,000 caregivers — to plug the skill gap in their infrastructure and healthcare sectors.

The country had made a similar request to recruit from India earlier this year as well.

In the first round of recruitments for construction workers, 16,832 candidates appeared for skill tests, of which 10,349 were selected.

Those selected were promised a monthly salary of ₹1.92 lakh, along with medical insurance, food and accommodation. A bonus of ₹16,515 per month is also provided to these candidates, according to a statement issued by the National Skill Development Corporation (NSDC).

In the caregiver segment, candidates who have completed Class 10 or above, hold a certificate issued by a recognised Indian institute, and have completed a care-giving course with at least 990 hours of on-the-job training, can apply. Officials said the caregivers will be given a salary of ₹1.35 lakh, along with boarding and lodging.

According to officials, the

Population, Immigration, and Border Authority (PIBA) of Israel had put in a request across four specific job roles: framework, iron-bending, plastering, and ceramic tiling.

A PIBA team composed of assessors will visit India next week to carry out the necessary skill tests to select those who meet their criteria.

A government-to-government (G2G) agreement was signed between the two countries in November 2023. Post this agreement, on Israel's request, the NSDC reached out to all the Indian states for recruitments. The first recruitment drive was held in Uttar Pradesh, Haryana and Telangana. The second will be held in Maharashtra.

All candidates going through

the G2G pathway must undergo pre-departure orientation training. This comprises a manual to help people understand Israeli culture and way of life and adapt to their new home.

This international mobility aligns with the government's vision to make India the world's skill capital, according to the statement by NSDC, which works under the aegis of the Ministry of Skill Development and Entrepreneurship.

Thousands of Indian construction workers are already working in Israel. During his visit to Israel in May 2023, Prime Minister Narendra Modi had signed an agreement with the Israeli government to provide over 40,000 jobs for Indian nationals in Israel's construction and nursing fields.

भारत से 15,000 लोगों की भर्तियों का इच्छुक इजराइल, साधा संपर्क

10 हजार श्रमिक और 5 हजार स्वास्थ्यकर्मों चाहिए

नई दिल्ली, 10 सितम्बर (एजेंसी) : इजराइल ने बुनियादी ढांचे और स्वास्थ्य क्षेत्रों में कौशल अंतर को दूर करने के लिए भारत से 15 हजार लोगों की भर्ती की इच्छा जताई है।

उसने 10,000 निर्माण श्रमिकों और 5,000 स्वास्थ्य देखभाल कर्मचारियों की भर्ती के लिए अभियान चलाने के इरादे से भारत से संपर्क साधा है। राष्ट्रीय कौशल विकास निगम (एनएसडीसी) ने मंगलवार को कहा कि इजराइल का यह नया अनुरोध साल की शुरुआत के इसी तरह के भर्ती अनुरोध के बाद आया है।

एनएसडीसी ने कहा कि इजराइल के जनसंख्या, आव्रजन और सीमा प्राधिकरण (पीबा) ने निर्माण क्षेत्र की नौकरियों के लिए अनुरोध किया है। पीबा की एक टीम आने वाले सप्ताह में भारत का दौरा करेगी ताकि चयन के लिए जरूरी कौशल परीक्षण किए जा सकें। निर्माण श्रमिकों के लिए भर्ती अभियान का दूसरा दौर महाराष्ट्र में चलाया जाएगा। इजराइल को अपनी स्वास्थ्य सेवाओं को बढ़ावा देने के लिए 5,000 स्वास्थ्य देखभाल कर्मचारियों की भी जरूरत है। इसके लिए 10वीं के बाद किसी

फलस्तीनी श्रमिकों पर प्रतिबंध के बाद खोली भर्ती

एनएसडीसी का यह बयान आने के पहले एक मीडिया रिपोर्ट में द्विपक्षीय नौकरी योजना के तहत दोषपूर्ण चयन का दावा किया गया था। इस रिपोर्ट के मुताबिक एक लाख से अधिक फलस्तीनी श्रमिकों पर प्रतिबंध लगाने के बाद ऐसा किया जा रहा है।

पिछले साल नवंबर में दोनों सरकारों के बीच समझौता होने के बाद राष्ट्रीय कौशल विकास निगम ने भर्ती के लिए सभी राज्यों से संपर्क किया था। भर्ती अभियान का पहला दौर उत्तर प्रदेश, हरियाणा और तेलंगाना में चलाया गया था।

मान्यता-प्राप्त भारतीय संस्थान से प्रमाण पत्र पाने वाले और कम से कम 990 घंटे का देखभाल अनुभव रखने वाले व्यक्ति आवेदन कर सकते हैं। इजराइल ने पहले दौर में 10,349 निर्माण श्रमिकों को भर्ती किया था।

उन्हे प्रति माह 1.92 लाख रुपये का वेतन, चिकित्सा बीमा, भोजन और आवास मिलेगा। इन उम्मीदवारों को प्रति माह 16,515 रुपए का बोनस भी दिया जाता है।

नई दिल्ली। इस्राइल ने अपने बुनियादी ढांचे और स्वास्थ्य सेवा क्षेत्र में कुशल कर्मचारियों की कमी को दूर करने के लिए एक बार फिर भारत से संपर्क किया है। इस्राइल नए अभियान में भारत से 10,000 निर्माण श्रमिकों और स्वास्थ्य सेवा के क्षेत्र में देखभाल करने वाले 5,000 कर्मियों की भर्ती करेगा। जल्द ही इसके लिए इस्राइल की कंपनियां भारत आएंगी। निर्माण श्रमिकों के लिए भर्ती अभियान इस बार महाराष्ट्र में आयोजित होगा।

अधिकारियों के मुताबिक, इस्राइल के जनसंख्या, आप्रवासन और सीमा प्राधिकरण (पीआईबीए) ने चार विशिष्ट क्षेत्रों-फ्रेमवर्क, आयरन

This comes on the back of a similar request made by Israel earlier this year, the NSDC said.

The statement assumes significance as a media report on Tuesday claimed faulty selection under a bilateral jobs scheme, under which Indians would be taken to Israel to work in the construction sector, after over 1 lakh Palestinian workers were banned in the wake of the Hamas attack of October 7 last year.

Israel Approaches India To Carry Out Recruitment Drive Again For 10,000 Construction Workers; Requires 5000 Caregivers

By India Education Diary ... — On Sep 10, 2024

New Delhi: Israel has approached India to carry out recruitment drive again for 10,000 construction workers and 5000 caregivers simultaneously to plug their skill gap in the infrastructure and health sector. This comes on the back of a similar request made by Israel, earlier in the year.

The Population, Immigration, and Border Authority (PIBA) has put in a request across four specific job roles: Framework, Iron Bending, Plastering, and Ceramic Tiling. A team from PIBA, comprising of assessors, is to visit India in the coming week to carry out the necessary skill tests for selecting those who meet their criteria and skill requisites. The second round of recruitment drive for construction workers is to take place in Maharashtra.

Further, Israel also requires 5000 caregivers to boost its healthcare services. They have stated candidates who have completed at least their 10th standard along with holding a certificate issued by a recognised Indian institute and completing a caregiving course with at least 990 hours of on-the-job training can apply.

In the first round of recruitment of construction workers for Israel, a total of 16832 candidates appeared for skill tests in their trade out of which 10349 candidates were selected. Those selected will earn a salary of Rs 1.92 lakh per month, along with medical insurance, food, and accommodation. A bonus of Rs 16,515 per month is also provided to these candidates.

The National Skill Development Corporation (NSDC) reached out to all states to carry out recruitment after the government-to-government (G2G) agreement was signed in November 2023. The first round of recruitment drive was carried out in Uttar Pradesh, Haryana and Telangana.

Israel Offers Jobs To Indians: सरकार ने इजरायल के जनसंख्या, आव्रजन और सीमा प्राधिकरण (पीवा) ने निर्माण क्षेत्र की नौकरियों के लिए अनुरोध किया है।

पिछले 11 महीनों से गाजा पट्टी में इजरायल और हमास के बीच जंग जारी है. सात अक्टूबर, 2023 को गाजा पट्टी पर राज करने वाले हमास ने इजरायल पर हमला किया था. इस हमले में एक हजार से ज्यादा लोग मारे गए और 250 लोगों का अपहरण कर लिया गया था. तभी से इजरायल-हमास के बीच जंग चल रही है. युद्ध के बीच, इजरायल सरकार ने अपने इन्फ्रास्ट्रक्चर और हेल्थ सेक्टर के लिए 10,000 निर्माण श्रमिकों और 5,000 देखभालकर्ताओं के लिए भारत से संपर्क किया है.
