Year-End Review 2024: National Skill Development Corporation (NSDC)

Executive Summary

The National Skill Development Corporation (NSDC) stands out as an important player in the skill development ecosystem in India as the end of 2024 approaches. Established to enhance the employability of the Indian workforce, NSDC has made significant strides this year in various sectors, as envisioned by the government's vision for a skilled India. This review encapsulates NSDC's achievements, initiatives, and future prospects

We have received 76 coverage in publications including IANS, ET Government, Dainik Bhaskar, ETCFO, ET Telecom, Hindustan among others.

Online Coverage Snapshot

NSDC aims to skill 1 lakh youth in AI, drones and cloud computing by 2025-end

Currently, the portal is offering over 500 courses in emerging fields like AI, drone technology, data science, and cloud computing. The introduction of special courses on AI-driven solutions in agriculture and cybersecurity assumes much importance.
