NSDC International and Somo Care have partnered to train Indian nursing care personnel for employment in Japan, addressing the country's growing demand for healthcare professionals.

Mumbai, Aug 6 (PTI) NSDC International, a wholly-owned subsidiary of the National Skill Development Corporation (NSDC), has signed an agreement with care service provider Somo Care Inc. to provide training programmes for Indian nursing care personnel and facilitate their integration into Japan.

This collaboration is a pilot project set to commence from August 2024, and run through 2025, NSDC said in a statement.

Somo Care will develop original training programs in addition to the Japanese language courses conducted by NSDC International, it added.
